Thanks Sury, attached is the latest writeup but this is what Brian commented on so I thought you had it. Maybe it's easier if I send it anyway so you don't have to look for where you saved it!

Best,
Lynn

Hi Lynn,
You sent Jason's file. I did not see your write up. Can you send me that. I am working on addressing the genetox comments. After that I will get on to the MOA part. Any way the synthesis of genetox summary helps in shaping the MOA part.
